

HIPAA Privacy and Security Program Training

<https://webcampus.med.drexel.edu/HIPAA/>

When you click on the above link, you will be prompted to enter your DrexelOne User ID* (e.g. xyz12) and your domain password (generally the same password that you use for your Drexel email).

*If you do not have a DrexelOne User ID, please contact cnhpcompliance@drexel.edu.

- Please allow approximately 40 minutes to complete this program.
- The 34-minute PowerPoint presentation with audio provides all faculty, students, and staff at the Drexel University College of Medicine with the required training for the HIPAA Privacy Program.
- At the end of the program, there is a 9-minute quiz.
- After successful completion of the quiz, you will need to download a copy of the Certificate of Completion for your compliance requirement.
- In addition, an email confirmation will be sent to you.
- If you have already completed the HIPAA training, you can just log onto the site, look at the end of the instructions, and download a copy of your certificate.

The HIPAA Privacy and Security Program Training is **required** to be on file for **everyone**.

If you have any questions, please contact safeheal@drexel.edu for assistance.
