APPLICATION FOR ADMISSION TO MINOR PROGRAM FORM

The Student Must:

- Be a matriculated undergraduate student
- Have successfully completed a minimum of 30 credit hours of coursework
- Demonstrate that completion of the minor will be achieved *at or before* the time of graduation

With approval from the Academic Department offering the minor, the notation of the minor will be indicated on your transcript. With such approval, the minor will be awarded at the time the major degree is conferred.

Application for Admission to Minor Program Rule Set

Purpose
Students use this form to add a minor to their program of study.

Regulations
Only matriculated undergraduate students who have successfully completed 30 credits of coursework are eligible to add a minor. Students must first meet with their academic advisor to ensure that the completion of the minor will be achieved at or before graduation. After obtaining approval from their academic advisor, the student must obtain the signature of the Department Head of the academic area that is offering the minor.
