Inspire a Child to Dream Day: April 25, 2013
Volunteer Sign-Up Form

inspire a CHILD to DREAM DAY

This year's theme for Inspire a Child to Dream Day is "Happy Helpers." In the spirit of civic engagement, we are asking that each child who attends bring a new children's/adolescent book (English or Bilingual: English/Spanish) to be donated to St. Christopher's Hospital for Children, an organization with which Drexel has a partnership.

To help make this event a huge success, faculty and professional staff members and student volunteers are needed for the following: greeters, monitors, registration tables, escorting the children to and from their activity sessions, and other duties as assigned.

If you are able to volunteer, please complete this form and return to Althea Wallace by April 15, 2013.
