# Add/Drop/Withdraw Rule Set

**I. Purpose**

This form is to be used by students who seek to add or drop a course during the first two (2) weeks of the term and who cannot otherwise add or drop the course(s) online through Banner as well as by students seeking to withdraw from a course. All forms must have the signature of the student's academic advisor in order to be processed.

**II. Adds**

A student can use this form to add a course for which there are registration errors. All forms must be returned to their academic advisor with required signatures for processing. This form cannot be used to add a course after the conclusion of the second week of the term.

**III. Adding Classes While Students Are "On Co-op"**

Please use the Classes During Co-op form to add a class.

**IV. Drops**

A student who is on hold can use this form to drop a course. This form cannot be used to drop a course after the conclusion of the second week of the term. All forms must be returned to the academic advisor with required signatures for processing.

**V. Withdrawals**

Students can use this form from the first day of Week three (3) to the last Friday in Week seven (7) to withdraw from a course and earn a 'W' for the course.

This form cannot be used to withdraw from a course after the seventh week of the term. Students must obtain the signature of the instructor of the course, as well as their academic advisor, and turn the completed form into the Student Resource Center in order for the form and the withdrawal to be processed.

**VI. Special Note Regarding Satisfactory Academic Progress**

Students who have received federal financial aid or loans (Work Study, Perkins, PLUS and Stafford Loans) may be impacted by the decision to withdraw from the institution. The federal government requires that students who receive aid or loans make satisfactory academic progress (SAP). Please refer to http://drexel.edu/src/financialaid/info/eligibility for more information.
Students are strongly encouraged to confer with their financial aid representatives to determine if SAP is met prior to withdrawal from the University.
