AUGUST 2009

ALPHA PI LAMBDA
“APPLE PI”
FRATERNITY

Since being reinstated in May 2006, “Apple Pi” members have worked hard to establish the organization as one of the top performing fraternities at Drexel by achieving recognition in 5 core areas of the Chapter Achievement Plan process this summer – a first since their return to campus.

This August, Apple Pi co-sponsored a successful Blood Drive Summer Challenge with the IFC and FSL, collecting 58 pints of blood from more than 70 donors.

Apple Pi also co-sponsored the 2nd Annual Smackfest Volleyball Tournament. The event raised over \$1,000 benefitting the LiveSTRONG Foundation – this effort was the organization’s largest and most successful effort since returning to campus in 2006.

Student Life and the Office of Campus Activities are pleased to honor and recognize the achievements of our student leaders and student organizations at Drexel University!
