Winter 2008

CEO is made possible through the support of:

The CEO Leadership Program is proud to have been named the 2004-2005 **PROGRAM OF THE YEAR** by the American College Personnel Association's Commission for Student Involvement!

Leadership Development Series

What is the CEO Program?

- The CEO Program is a leadership development series providing you with the **skills you need to succeed personally and professionally.**
- Professional staff and trainers from area corporations and Drexel University faculty and staff facilitate workshops.
- Students that participate in the workshops can **earn CEO Certification.** Student organizations can also earn certification if five or more of their members earn any level of certification.
- Students may **participate in any scheduled workshop** without working towards earning CEO certification. In addition, it is our belief that students attending a series of workshops will **realize more substantial growth** in their interpersonal and organizational leadership skills.

How Will I Benefit from the Skills I Learn?

- **Develop skills and strategies that are critical** for success in student organizational, academic, and professional environments
- Refine your leadership style and broaden your understanding of what it takes to **excel and succeed in today's work environment**
- **Improve your student organization's ability** to identify and attain goals
