This year the West Indian Student Establishment (WISE) in collaboration with a myriad of co-sponsors put together a series of events during World AIDS Week to diffuse the knowledge of this world epidemic to our Drexel student body and community.

Events such as bake sales, HIV Rapid Testing, Panel Discussions, Open Mic Night, and Candle Light Vigil were coordinated by these 12 organizations.

Student Life and the Office of Campus Activities are pleased to honor and recognize the achievements of our student leaders and student organizations at Drexel University!
