APRIL 2009

DREXEL FORMULA HYBRID

This year the Formula Hybrid team competed against 29 teams from across the US, Canada, Russia, and India.

We are proud to announce that they swept the competition and brought home 3rd place overall, and 1st place in a series configuration hybrid drive train!

The 9 seniors have been working on the car over the past year. The 5 freshmen on the team look forward to working on the 2010 Drexel Hybrid vehicle for next year's competition!

Student Life and the Office of Campus Activities are pleased to honor and recognize the achievements of our student leaders and student organizations at Drexel University!
