Welcome to Keystone Health Plan East HMO

This directory contains a list of participating primary care physicians (PCPs), specialists, hospital and ancillary providers that are part of the panel for your **TenetPreferred** program. You also have access to other available medical providers and facilities, which are part of the Keystone Health Plan East HMO network. For updated or more detailed information on the Keystone Health Plan East HMO network, visit our website at www.ibx.com/find_a_provider or call **Customer Service at 1-800-ASK BLUE (1-800-275-2583) Monday through Friday, 8 a.m. to 6 p.m.** to request a hard copy directory.

Under your **TenetPreferred** program, you must choose a primary care physician (PCP) to directly provide your health care and refer you to specialists when required. Each family member may choose his or her own PCP, including a pediatrician for children. You have two options in choosing a PCP, and those options are summarized below. Please refer to your benefits materials for details. Choose carefully to maximize your benefits.

- **Lowest out-of-pocket option.** By choosing a PCP from this **TenetPreferred** directory you will receive the highest level of benefits under your benefits program. Your co-pays are lower, and most provided services are 100 percent covered if you receive services from a **TenetPreferred** physician or hospital. If you need specialty or hospitalization care, ask your PCP to refer you to a provider listed in the **TenetPreferred** directory to maximize your benefits.
- **Highest out-of-pocket option.** Keystone Health Plan East HMO allows you access to all other participating PCPs, specialists, and hospitals in the Keystone Health Plan East HMO network. Your out-of-pocket costs will be highest if you seek care from PCPs, specialists and hospitals that are not listed in the **TenetPreferred** directory.

Hospital services

This directory contains a list of the **TenetPreferred** facilities where you can maximize your benefits. You also have access to all Keystone Health Plan East HMO participating hospitals at a higher copay amount. For updated or more detailed information on the Keystone Health Plan East HMO network, visit our website at www.ibx.com/find_a_provider or call **Customer Service at 1-800-ASK BLUE (1-800-275-2583) Monday through Friday, 8 a.m. to 6 p.m.** to request a hard copy directory. *If you are experiencing a medical emergency, go directly to the nearest hospital to receive care.*

OB/GYN care

With our Direct Access OB/GYNSM program, a Keystone Health Plan East HMO member may visit a participating obstetrician/gynecologist (OB/GYN) or midwife for general OB/GYN care, including maternity care and non-routine OB/GYN care, without a referral. This directory contains a list of the **TenetPreferred** OB/GYNs that you can access for care and maximize your benefits. You also have access to all participating OB/GYNs in the Keystone Health Plan East HMO network; however, your out-of-pocket costs will be higher.

As a Keystone Health Plan East HMO member, you have access to Blue Distinction Centers, participating network facilities that have extensive experience, meet rigorous quality standards, and consistently demonstrate positive results. Currently, Blue Distinction Centers have been established for bariatric surgery, cardiac care, complex and rare cancers, knee/hip replacement, spine surgery and transplant services. All of the centers meet specific, evidence-based criteria on provider qualifications, best practices, and outcomes. These nationally established criteria were developed in collaboration with medical experts and organizations at the local and national level.

This **TenetPreferred** directory is current as of the date it is published. It is important to know when you enroll in this plan that services are provided through the plan's delivery system. Keystone Health Plan East reserves the right to add or delete participating physicians, hospitals, and/or other health care providers at any given time. Keystone Health Plan East cannot guarantee the continued participation of any one doctor, hospital or other health care provider. It is to your advantage to verify your provider's network membership before receiving services. For more information regarding participating physicians, please call **Customer Service at 1-800-ASK-BLUE (1-800-275-2583), Monday through Friday, 8 a.m. to 6 p.m.** Please refer to your benefits materials for additional information, including the benefits, exclusions, and limitations of your benefits program.
