

OFFICE of the PROVOST  
THE LOUIS AND BESSIE STEIN  
FAMILY FELLOWSHIP FOR 2009-2010

The Office of the Provost is pleased to announce the Louis and Bessie Stein Family Fellowship for Exchanges with Israeli Universities competition for activity in AY 2010-2011. Among the main purposes of the fund are:

- a. To provide scholarship, fellowships, stipends, subsidies, support, and other career development assistance to deserving undergraduate and graduate students of Israeli educational institutions to attend Drexel University;
- b. To provide scholarships, fellowships, stipends, subsidies, support, and other career development assistance to deserving undergraduate and graduate students of Drexel to attend the Technion or Hebrew University in Israel, or their respective successor institutions;
- c. To provide financial assistance to deserving faculty members of Drexel to teach, study and do research in Israel;
- d. To provide financial assistance to deserving faculty members of Israeli universities to teach, study, and do research at Drexel;
- e. To pay the travel and incidental expenses of such undergraduate and graduate students and faculty members which they are required to incur in connection with the foregoing.

Students and faculty members accepting assistance from the Fund for the purposes described above shall be known as "Stein Fellows."

## Proposal Submission
