RE: Space Allocation Committee Recommended Assignments for 2011-2012

The following information is based on the Space Allocation Committee's recommendation for student organization office and storage space for 2011 – 2012. Please review the recommendation and note any concerns or questions you may have. All application materials are available for your review if needed. Fifty-three student organizations applied for storage and office space and all fifty-three were approved.

The **current listing (2010-2011)** assignments are as follows:
