

# GPA CALCULATOR

*Ensure You're on Track for Academic Success*

## ■ WHAT is the GPA Calculator?

The GPA Calculator enables students to predict their GPA based on past, current, or future term performance. Students can use this tool to calculate the GPA they must earn in the current term to achieve a target cumulative GPA.

## ■ WHY use it?

With the assistance of the GPA Calculator, students are able to easily calculate their long-term goals for achieving their ideal grade point average (GPA).

## ■ HOW do I access the GPA calculator?

Access the GPA calculator by visiting <http://www.drexel.edu/provost/advising/tools>

*Note: Students who have questions regarding their academic progress should contact their academic advisors for assistance. A full listing of academic advisors is available on the web at <http://www.drexel.edu/provost/advising>*
