Legal Release & Emergency Form

I am the student listed below who has been accepted to attend Dragon Summer 2009 (the Program) at Drexel University.

I represent that I am physically able, with or without accommodation, to participate in the Program and am able to use equipment and/or supplies described in the enclosed materials. I understand and I agree to assume all risk and liability for my participation in the Program.

I release and hold harmless Drexel University, its trustees, officers, faculty, employees, students and agents from any and all claims, causes of action, injuries, damages or losses of any kind that may arise from my participation in the Program or from travel to or from off-campus locations where Program-sponsored activities may take place.

Should I require emergency medical treatment as a result of accident or illness arising during the Program, I consent to such treatment and my admission to an accredited hospital or emergency care center if necessary for the provision of such treatment. I acknowledge that Drexel University does not provide health and accident insurance for Program participants and I agree to be financially responsible for any medical bills incurred as a result of emergency medical treatment.
