

POLITICAL SCIENCE

The Political Science Major Program helps students cultivate perspective, develop critical thinking and communication skills, and understand the economic, social, and political systems within which we live and work.

The department offers both a Bachelor of Science (BS) and a Bachelor of Arts (BA) in Political Science. Students may choose the program that best fits their needs and future goals.

The Bachelor of Science (BS) provides a framework for those students who prefer specific course requirements, including sequences in mathematics and the natural sciences.

The Bachelor of Arts (BA) provides a more flexible course of study, which includes foreign language and allows for options in the fulfillment of humanities, social science, math, and science requirements.

Whether you are preparing to enter law school, the business world, or graduate school, the political science major can shape a curriculum that meets your needs.

Students wanting specific information about the major are encouraged to stop by the department office in 3025 MacAlister Hall, call the department at 215-895-2463, or visit their website at www.drexel.edu/coas/histpol/.

Employers who have hired Drexel students include:
