

HOSPITALITY MANAGEMENT

The Hospitality Management (HM) Major Program recognizes the critical importance of an interdisciplinary education with a global perspective for tomorrow's leaders and managers. The program allows for increased specialization with concentrations in one of four areas: Food and Beverage Management, Gaming and Resort Management, Hotel Management Administration, and Travel and Tourism

In order to provide students with a well-rounded educational experience, the HM curriculum is composed of approximately equal amounts of coursework in liberal arts, business administration, and hospitality management. As part of the HM program, all students receive a minor in business along with their BS, as well as completion of the first-year foundation courses required for an MBA degree at Drexel University.

Students wanting specific information about the major are encouraged to stop by the department office at 3001 Market Street, call the department at 215-895-2159 or visit their website at <http://www.drexel.edu/academics/goodwin/programs/hm/default.asp> .
