

## ENTREPRENEURSHIP

Entrepreneurs and the new ventures they create fuel the economy. Entrepreneurs recognize market opportunities that others fail to see. Drexel's tradition of technological excellence and entrepreneurial spirit provide LeBow with an opportunity to offer a distinctive interdisciplinary entrepreneurship curriculum.

The concentration in entrepreneurship provides students with required hands-on experiences to study and work at the Baiada Center for Entrepreneurship. Moreover, the curriculum includes courses in finance, law and marketing that are geared toward the issues in entrepreneurship.

Students wanting specific information about the concentration are encouraged to stop by the department office in the Baiada Center, 3225 Arch Street, call the department at 215-895-0300, or visit their website at [www.lebow.drexel.edu/Centers/Baiada/](http://www.lebow.drexel.edu/Centers/Baiada/).
