

Financial Aid for Graduate Students

To apply for financial aid, go to the following site for more information and links to the Graduate Financial Aid Application and FAFSA.

http://www.drexel.edu/financialaid/online_steps/step1.asp

Please be advised that you will need to maintain the following minimum graduate level credit load (part-time vs. full-time) each Drexel term to insure that your loan will not go into repayment.

- Part-time Students – 4.5 graduate credits (2 classes)
- Full-time Students – 9 graduate credits (3 classes)

If you have undergraduate content courses to take and you choose to take them at a community college to save on tuition money, these credits will **not** count towards your graduate credit requirement for financial aid.

Please be advised that your Graduate Advisor in the School of Education is not privy to your financial situation or the proper financial aid protocol to be of any assistance to you on the particulars of your financial aid package, etc. For that reason, if you have any questions regarding financial aid, we encourage you to contact a financial aid representative directly at finaid@drexel.edu or www.drexel.edu/financialaid.
