

In order to verify important information and confirm your understanding of University policies, Admissions asks that you review this form and complete the items at the bottom. Please review your acceptance letter CAREFULLY for additional information. If you have any questions, please contact Drexel Graduate Admissions by calling 215-895-6700.

Tuition Deposit

A tuition deposit is required for all new students as a means of confirming their intention to attend Drexel. The deposit is applied to the first invoice for tuition and fees. Should a student fail to register and/or enroll for the term accepted, it is considered a service fee covering the administrative cost of the matriculation process — it is **nonrefundable**.

A check or money order should be made payable to Drexel University for the tuition deposit. Be sure to write your Drexel University Identification Number — issued in your acceptance letter — on your check or money order. No other fees or program deposits should be included in this particular check or money order. You may also pay by credit card by completing the information below and faxing it to 215-895-5939.
