2. **TERMS OF PAYMENT.**

As compensation for the satisfactory performance of the Services, Drexel shall pay Service Provider a total fee not to exceed \_\_\_\_\_ (\$ \_\_\_\_\_) (the "Compensation"). Service Provider shall submit timely invoices to Drexel and shall not submit more than one invoice per month. The invoices shall include an itemization of charges and, at a minimum, a description of Services performed. No payment shall be due before receipt of a properly prepared invoice. This reporting requirement applies if Service Provider:
  - (i) has a place of business and/or residence in Philadelphia;
  - (ii) performs any services under this Agreement within the physical boundaries of the City of Philadelphia.

Service Provider fully accepts the responsibility to notify Drexel in writing if Service Provider meets either of these criteria. Service Providers who meet one of the criteria above may be required to obtain a Business Privilege License from the City of Philadelphia and prepare tax returns for the year in which remuneration was received. Further information can be obtained from the City of Philadelphia, Department of Revenue at (215) 686-6600 or via its website: [www.phila.gov/Revenue/](http://www.phila.gov/Revenue/). Either party may terminate this Agreement if the other party breaches any term or condition of this Agreement and fails to cure such breach within five (5) days of receipt of written notice of such breach. In addition, Drexel may terminate this Agreement for any reason whatsoever upon thirty (30) days prior written notice to Service Provider. The provisions of Sections 8, 10 and 14 shall survive the termination of this Agreement.

8. **INDEMNIFICATION AND RELEASE.**

For purposes of this provision, the term "Service Provider" shall include the Service Provider and its employees, contractors, subcontractors and agents. The term "Drexel" shall include Drexel, its subsidiaries and affiliates, trustees, officers, faculty, students, employees and agents (sometimes referred to as "indemnified parties").

Service Provider shall defend, indemnify, and hold harmless Drexel from and against any and all claims, losses, liabilities, or expenses of any type whatsoever that may arise from the goods and/or services supplied by Service Provider, actions or inactions taken by Service Provider, and the presence of Service Provider on Drexel property, whether or not any such claims, losses, liabilities, or expenses are caused, in whole or in part by, or are based upon, the alleged negligence of Drexel or any of the other indemnified parties or caused or based upon the alleged breach of any legal duty or obligation on the part of Drexel.

The indemnification provision shall include, but not be limited to, those claims resulting in personal injuries or death or loss or damage to property of Drexel, Service Provider or any other party. Service Provider acknowledges that the indemnity granted to Drexel by this Agreement includes indemnification for claims brought by employees of Service Provider against Drexel. In the event that such a claim is made by an employee of Service Provider, Service Provider agrees to waive the immunity that the Worker's Compensation Act provides to employers against indemnity claims by parties such as Drexel or the other parties indemnified hereunder.

Service Provider releases and waives any and all claims, demands, or causes of action against Drexel, subsidiaries and affiliates, its trustees, officers, faculty, students, employees and/or agents that arise from or are connected with Service Provider's obligations pursuant to this Agreement, any injury to employees or agents of Service Provider or damage to or loss of any property of Service Provider or its employees or agents, regardless of whether or not any such claims, losses, liabilities or expenses are caused in part by the negligence of Drexel or any of the other indemnified parties.

In the event that any claim, demand, suit or other legal proceeding arising out of any matter relating to this Agreement is made or instituted by any person against Drexel, Service Provider shall, at its own cost and expense, provide Drexel with all reasonable information and assistance in the defense or other disposition thereof. The provisions of this Section shall survive the termination or expiration of this Agreement.

9. **CONFIDENTIALITY; PROTECTION OF SENSITIVE INFORMATION; FERPA; HIPAA; DATA BREACH NOTIFICATION; COMPUTER SYSTEMS SECURITY.**

A. Confidential Information. If the Services involve access to any Confidential or Sensitive Information (as defined in this Agreement), Service Provider recognizes that Drexel's business interests require a confidential relationship between Drexel and Service Provider and the fullest practical protection and confidential treatment of its

confidential, proprietary and/or sensitive information. Accordingly, Service Provider agrees, both during and after the term of this Agreement, to keep secret and to treat confidentially all of Drexel's Information, whether patentable, patented or not, and not to use or aid others in using any such Information in competition with Drexel. Service Provider will keep in confidence all Confidential Information of Drexel will not use or disclose to any person or entity, directly or indirectly, without the prior written approval of Drexel, any Confidential Information obtained by virtue of this Agreement or the Services performed pursuant to the Agreement, except on a confidential basis to its business, legal and financial advisors or as required to be disclosed under applicable law or by legal process. Notwithstanding the foregoing, the Confidential Information shall not include information which is (i) in the public domain or subsequently comes into the public domain without breach of this Agreement; or (ii) required to be disclosed pursuant to a judicial or court order, provided Drexel shall be given prior notice and an opportunity to be object to such disclosure. Upon termination of this Agreement, Service Provider agrees to return to Drexel all property of Drexel, its parent and subsidiaries, if any, in its possession, including all computer discs and computer generated information.

Service Provider agrees that each employee, agent or subcontractor who provides any Services to Drexel under this Agreement shall be advised of his/her responsibility to abide by these confidentiality provisions. The non-disclosure restrictions described above shall remain in effect after the termination date of this Agreement. Service Provider shall return all property of Drexel in its possession at the termination of this Agreement.

- B. Protection of Sensitive Information. If Drexel provides Service Provider with, or access to, any Confidential Information containing highly sensitive information ("Sensitive Information"), for example, without limitation, bank and credit card account numbers, income and credit histories and social security numbers, student financial aid information, as well as "Personally Identifiable Information" from student education records, as defined by the Family Educational Rights and Privacy Act of 1974 ("FERPA") (34 CFR §99.3), as well as information related to medical patients and research subjects, Service Provider shall maintain the confidentiality, integrity and availability of all such Information, through implemented administrative, technical and physical safeguards in compliance with law, and shall not re-disclose such Sensitive Information as directed by federal and state laws, including, without limitation, the Gramm Leach Bliley Act of 1999, FERPA, and the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") as amended, including the Health Information Technology for Economic and Clinical Health Act ("HITECH") and implementing regulations, including the Omnibus Final Rule ("Omnibus Rule"), and state laws concerning protection of such Sensitive Information. Failure to abide by legally-applicable security measures and disclosure restrictions may result in the interruption, suspension and/or termination of the relationship with Service Provider.
- C. HIPAA/HITECH. When applicable, while performing its duties and obligations under this Agreement, Vendor shall, and shall cause its employees, other members of its workforce, faculty, agents, and subcontractors, to comply with all laws and regulations that apply to the confidentiality and security of patient information, including HIPAA/HITECH, and regulations issued thereunder (including without limitation the Omnibus Rule), which are now in effect or which may subsequently be in effect. The parties agree that if necessary, they shall amend this Agreement to comply with or effectuate HIPAA and/or HITECH and the regulations issued thereunder.

If Drexel determines that Service Provider is acting as a "Business Associate" of Drexel under applicable HIPAA laws and regulations, then Service Provider and Drexel shall also enter into the HIPAA HITECH Omnibus Business Associate Agreement found at <http://www.drexel.edu/generalcounsel/contracts/Templates/>.

- D. Data Breach Notification. If Service Provider becomes aware of any potential breach, or experiences a security breach, relating to any of the foregoing Confidential or Sensitive Information, in addition to Service Provider's responsibilities under state and federal law, Service Provider shall immediately, but no later than three (3) business days, notify Drexel and shall fully cooperate with Drexel. "Data Breach" shall be defined to include, but is not limited to, unauthorized access, use, loss or disclosure of Individually Identifiable Information protected under federal and state laws identified in this Section, including, without limitation, HIPAA/HITECH and the Federal Trade Commission Act (and their respective regulations and guidelines) and state data breach notification acts. Service Provider shall indemnify Drexel for any breach of confidentiality or failure of its responsibilities to protect confidential information, specifically with regard to, but not limited to, the cost of notification of affected persons as a result of its accidental or negligent release of data provided to Service Provider pursuant to this Agreement.
- E. Computer Systems and Data Security. Service Provider represents and warrants that the computer systems it uses in conjunction with providing the Goods and Services under this Agreement, and the data housed therein or methods of transmission, have security protection from intrusion in accordance with applicable federal government standards and are encrypted in accordance with NIST Standards for encryption and security of data. Any copies of data which are disposed of shall likewise be disposed of only in accordance with such standards.
- F. Ownership of Work Product. Service Provider and Drexel agree that the Services to be performed hereunder will result in the preparation of work product such as written material, including, but not limited to, reports, plans, assessments, recommendations, drawings/designs and/or surveys ("Work Product"). Service Provider agrees that the Work Product is being prepared for the use of Drexel, is confidential and proprietary, and belongs to Drexel. Drexel shall own all right, title and interest, including all copyright interest, in the Work Product. Service Provider agrees that the Work Product is a "WORK MADE FOR HIRE" for Drexel under Section 101 of Title 17 of the United States Code as it now stands or as later amended. To the extent that the Work Product may not be deemed a "work made for hire," Service Provider hereby transfers and assigns to Drexel the entire right, title and interest it may now have or may be deemed to have in the future in the Work Product and all copies thereof in whatever form, including copyright and renewals and extensions thereof and the right to sue for past infringements, without additional consideration. Service Provider shall promptly execute, deliver, record and file any and all documents, and take any additional actions, that Drexel may reasonably request of Service Provider in connection with the implementation of this assignment. Any dissemination or publication of the Work Product must be approved in writing by Drexel.
- G. Service Provider agrees that upon Drexel's request, but without expense to Service Provider, Service Provider will execute any and all applications, assignments and other legal instruments which Drexel reasonably shall deem necessary or convenient for the protection of its information and property.

10. **INJUNCTIVE RELIEF.**

Because of the difficulty in measuring economic loss to Drexel as a result of any breach by Service Provider of the provisions in Section 9 above, and because of the immediate and irreparable damage that may be caused to Drexel, for which it would have no other adequate remedy, Service Provider agrees that Drexel, in addition to and without limiting any other remedy or right it may have, shall have the right to an injunction or other equitable relief in any court of competent jurisdiction. The existence of this right shall not preclude any other rights and remedies at law or equity which Drexel may have.

11. **ABANDONMENT OF PROPERTY.**

Any property of Service Provider left upon the premises of Drexel upon completion of the Services shall be considered abandoned by Service Provider and may be discarded or appropriated by Drexel.

12. **INSURANCE.**
