PHILADELPHIA POLICE DEPARTMENT

1976-1994 DETECTIVE: Homicide, Major Crimes, East, Northeast and West
Divisions- Supervised/conducted criminal investigations. In 1991 concluded a
department wide scientific study which was implemented by police
commissioner Richard Neal, resulting in full computerization of the Philadelphia
police department. Study was later published in the Congressional Record (1991)
through Pennsylvania State University.

1974-1976 CORPORAL: Mounted Patrol Headquarters, 18th and 14th Police Districts-
Supervised 57 police officers, and conducted administrative and line supervisory
duties. Planned mounted responses to major events.

1969-1974 POLICE OFFICER:
6th District Mounted Patrol, 19th and 7th
Districts as a patrol officer
