Dornsife Antiracism Action Plan

Strive to continuously create a culture and environment that actively promotes inclusivity and antiracism

Supporting career advancement of diverse faculty, staff and students Ensure values of diversity and inclusion are highlighted in academic programming; Ensure understanding of the ways structural racism and social injustice affect health

Support & grow research, practice identifying the effects of racism on health and the drivers of health inequities; expand partnerships w/ organizations that have antiracist agendas

Inclusivity & Antiracism

Maximize
Racial
Diversity
(faculty, staff,
students)
