

In the spirit of civic engagement, we are collecting new children's/adolescent books (English or Bilingual: English/Spanish) to be donated to St. Christopher's Hospital for Children, an organization with which Drexel has a partnership.

To help make this event a huge success, faculty and professional staff members and student volunteers are needed for the following: chaperones, monitors, registration tables, escorting the children to and from their activity sessions, and other duties as assigned.

If you are able to volunteer, please complete this form and return to Lindsay Norlen at les37@drexel.edu by April 13, 2016.
