### Form W-4 (2016)

**Purpose.** Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. Consider completing a new Form W-4 each year and when your personal or financial situation changes.

**Exemption from withholding.** If you are exempt, complete **only** lines 1, 2, 3, 4, and 7 and sign the form to validate it. Your exemption for 2016 expires February 15, 2017. See Pub. 505, Tax Withholding and Estimated Tax.

Note: If another person can claim you as a dependent on his or her tax return, you cannot claim exemption from withholding if your income exceeds \$1,050 and includes more than \$350 of unearned income (for example, interest and dividends).

**Exceptions**. An employee may be able to claim exemption from withholding even if the employee is a dependent, if the employee:

- Is age 65 or older,
- Is blind, or
- Will claim adjustments to income; tax credits; or itemized deductions, on his or her tax return.

The exceptions do not apply to supplemental wages greater than \$1,000,000.

Basic instructions. If you are not exempt, complete the Personal Allowances Worksheet below. The worksheets on page 2 further adjust your withholding allowances based on itemized deductions, certain credits, adjustments to income, or two-earners/multiple jobs situations.

Complete all worksheets that apply. However, you may claim fewer (or zero) allowances. For regular wages withholding must be based on allowances you claimed and may not be a flat amount or percentage of wages.

**Head of household.** Generally, you can claim head of household filing status on your tax return only if you are unmarried and pay more than 50% of the costs of keeping up a home for yourself and your dependent(s) or other qualifying individuals. See Pub. 501, Exemptions, Standard Deduction, and Filing Information, for information.

**Tax credits.** You can take projected tax credits into account in figuring your allowable number of withholding allowances. Credits for child or dependent care expenses and the child tax credit may be claimed using the **Personal Allowances Worksheet** below. See Pub. 505 for information on converting your other credits into withholding allowances.

Nonwage income. If you have a large amount of nonwage income, such as interest or dividends, consider making estimated tax payments using Form 1040-ES, Estimated Tax for Individuals. Otherwise, you may owe additional tax. If you have pension or annuity income, see Pub. 505 to find out if you should adjust your withholding on Form W-4 or W-4P.

**Two earners or multiple jobs.** If you have a working spouse or more than one job, figure the total number of allowances you are entitled to claim on all jobs using worksheets from only one Form W-4. Your withholding usually will be most accurate when all allowances are claimed on the Form W-4 for the highest paying job and zero allowances are claimed on the others. See Pub. 505 for details.

**Nonresident alien.** If you are a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Check your withholding. After your Form W-4 takes effect, use Pub. 505 to see how the amount you are having withheld compares to your projected total tax for 2016. See Pub. 505, especially if your earnings exceed \$130,000 (Single) or \$180,000 (Married).

Future developments. Information about any future developments affecting Form W-4 (such as legislation enacted after we release it) will be posted at <a href="https://www.irs.gov/w4">www.irs.gov/w4</a>.

## **New Jersey Residents**

If you are a resident of New Jersey, you may claim exemption from Pennsylvania Personal Income Tax withholding by completing the attached form Employee's Statement of Non-Residence in Pennsylvania and Authorization to Withhold Other State's Income Tax (Form REV-419 EX).

Generally, Drexel University will not withhold New Jersey income tax from your paychecks, since the credit for income taxes paid for Philadelphia city wage tax, will offset any New Jersey tax liability on your earnings from Drexel. However, if you have income from other sources in New Jersey, you may still have a tax liability. If you still wish to have New Jersey income tax withheld from your pay, you must complete a Form NJ-W4 (which can be found at <a href="http://www.state.nj.us/treasury/taxation/pdf/current/njw4.pdf">http://www.state.nj.us/treasury/taxation/pdf/current/njw4.pdf</a>).

REV-419 EX (05-10) Employee's Nonwithholding Application Certificate 20

PA DEPARTMENT OF REVENUE

**Purpose.** Complete Form REV-419 so that your employer can withhold the correct Pennsylvania personal income tax from your pay. Complete a new Form REV-419 every year or when your personal or financial situation changes. Photocopies of this form are acceptable.

**Note:** Unless the state of residence changes, residents of the reciprocal states listed in the next paragraph do not need to refile this application every year.

Who is Eligible for Nonwithholding? You may be entitled to nonwithholding of PA personal income tax if you incurred no liability for income tax the preceding tax year and/or you anticipate that you will incur no liability for income tax during the current tax year, according to the Special Tax Provisions of section 304 of the Tax Reform Code, the Servicemember Civil Relief Act (SCRA) or as a resident of the reciprocal state of Indiana, Maryland, New Jersey, Ohio, Virginia or West Virginia and your employer agrees to withhold the income tax from that state.

**When to Claim?** File this certificate with your employer as soon as you determine you are

entitled to claim nonwithholding. You must file a certificate each year you are eligible (see Note above for an exception). If you are employed by more than one employer you must file a separate REV-419 with each employer.

**Responsibilities of Employee.** You must revoke this certification within 10 days from the day you anticipate you will incur PA personal income tax liability for the current tax

year. To discontinue or revoke this certification, submit notification in writing to your employer. Claimants who qualify for complete Tax Forgiveness under section 304 of the Tax Reform Code must file a PA-40, Pennsylvania Personal Income Tax Return, and Schedule SP to claim Tax Forgiveness even if they are eligible for nonwithholding.

Under the SCRA, as amended by the Military Spouses Residency Relief Act, you may be exempt from PA personal income tax on your wages if (i) your spouse is a member of the armed forces present in PA in compliance with

military orders; (ii) you are present in PA solely to be with your spouse; and (iii) you and your spouse both maintain the same domicile (state residency) in another state. If you claim exemption under the SCRA, enter your state of domicile (legal residence) on Line d below and attach a copy of your spousal military identification card and your spouse's current military orders to form REV-419.

#### Responsibilities of Employer.

If you agree not to withhold PA tax because your employee is a resident of a reciprocal state, you must withhold the other state's tax.

Retain Form REV-419 with your records. You are required to submit a copy of this certificate

and accompanying attachments to the PA DEPARTMENT OF REVENUE, BUREAU OF BUSI-NESS TRUST FUND TAXES, PO BOX 280904, HARRISBURG, PA 17128-0904, when:

OFFICIAL USE ONLY

- you have reason to believe this certificate is incorrect:
- the PA taxable gross compensation of any employee who claimed either exemption from nonwithholding a or b below exceeds \$1,625 for any quarter;
- the employee claims an exemption from withholding on the basis of residence in a reciprocal state (Indiana, Maryland, New Jersey, Ohio, Virginia or West Virginia) and therefore, you agree to withhold income tax of the employee's state of residence; or
- the employee claims an exemption from withholding under the SCRA as amended by the Military Spouses Residency Relief Act.

**Department's Responsibility.** Upon receip of any exemption application, the department will make a determination and notify the employer if a change is required. If the department disapproves the application, the employer must immediately commence withholding at the regular rate. Once a certificate is revoked by the department, the employer must send any new application received from the employee to the department for approval before implementing the nonwithholding.

Please print or type. A fill-in form may be obtained from	www.revenue.state.na.us.

## **Compliance Hotline**

Drexel University is committed to conducting its affairs in full compliance with the law and its own policies and procedures. Such adherence strengthens and promotes ethical and fair practices and treatment of all members of the University and those who conduct business with it.

While we have developed and implemented internal controls and procedures that we hope will deter and prevent improper conduct, there is an easy and confidential way for members of the University community to bring instances of suspected improper conduct to the attention of someone who can be counted upon to investigate the problem promptly and fairly, without any fear of retaliation.

The following hotlines may be used to report any improper conduct to the University's Chief Compliance Officers:

Drexel University: 866.358.1010 or <a href="https://secure.ethicspoint.com/domain/en/report\_custom.asp?clientid=14030">https://secure.ethicspoint.com/domain/en/report\_custom.asp?clientid=14030</a>

This hotline was created at the specific direction of the Board of Trustees. Every report is kept completely confidential. No information likely to reveal your identity will be shared with anyone else without your permission. Reporters will be completely protected from retaliation for having made good faith reports. The Chief Compliance Officer is required to report quarterly to the Audit Committee of the Board of Trustees on all matters reported to the hotline and the actions taken in response.

If you are aware of any conduct--act or omission--which you think violates University policy, rule or regulation, you are encouraged to report them to your supervisor or teacher, your Department Head, your Dean, or a Vice President; or to use the hotline. We owe it to ourselves to make this the best place it can be.

Questions about the hotlines may be addressed to the Chief Compliance and Privacy Officer:

In order to ensure that your reasonable and necessary medical treatment and supplies will be paid for by your employer or its workers' compensation insurance company during the first ninety (90) days of treatment, you must select and visit one of the listed health care providers, and continue to visit that health care provider or another of the listed health care providers for a period of ninety (90) days from the date of the first visit. As required by law, this list will include no more than four coordinated care organizations (as approved by the state), and no fewer than three physicians. You are permitted to switch from one health care provider on the list to another health care provider on the list during the ninety (90) day period.
- 3. The employer is not permitted to include on this list a physician or health care provider who is employed, owned or controlled by your employer or its workers' compensation carrier unless that employment, ownership or control is disclosed on the list.
- 4. You have the right to seek treatment from a provider not appearing on the list (referral provider) if you are referred to such provider by one of the designated providers appearing on the list. Your employer shall pay for the reasonable and necessary treatment rendered by the referral provider for the work-related injury.
- 5. You have the right to seek emergency medical treatment from any provider, but subsequent non-emergency treatment shall be rendered by a designated provider for the remainder of the ninety (90) day period.
- 6. If one of the designated providers prescribes or recommends invasive surgery, you may seek and receive an additional opinion from any health care provider of your own choice. The charge for this consultation will be paid by your employer. If the additional opinion differs from the opinion provided by the designated provider, you may choose which course of treatment to follow: provided, however, that the second opinion includes a specific and detailed course of treatment. If you choose to follow the procedures designated in the additional or second opinion, such procedures shall be performed by one of the designated providers for a period of ninety (90) days from the date of your visit to the physician rendering the second or additional opinion.
- 7. With regard to all other treatment (i.e., that not involving invasive surgery), you have the right to seek treatment or medical consultation from a non-designated provider during the ninety (90) day period, but such services shall be at your own expense during the applicable period of ninety (90) days.
- 8. Following the first ninety (90) days of treatment with the designated physician or other health care provider, subsequent treatment may be provided by any health care provider of your own choice. You must notify your employer that your care has been transferred to a non-designated provider within five (5) days of your first visit to the non-designated provider of your choice. Your employer may not be required to pay for treatment rendered by a non-designated provider prior to receiving this notification. However, the employer shall pay for these services once notified, unless the treatment is found to be unreasonable by a Utilization Review Organization, under Subchapter C (relating to medical treatment review).

I hereby acknow	edge that I have received this notice, and that I understand my rights and res	oonsibilitie	s as set forth herein.	•
