

Do you have an idea for a product or service focused on renewable energy or energy efficiency?

Are you interested in competing for \$50,000?

Then the Allegheny Region Cleantech University Prize Collegiate Competition is for YOU!

The Allegheny Region Cleantech University Prize Collegiate Competition (Allegheny Cleantech UP) is sponsored by the Department of Energy's Energy Efficiency and Renewable Energy (EERE) office. It will be held March 16, 2016 at Carnegie Mellon University.

There are two tracks in this competition

Ready to Commercialize Track: For validated lab prototypes poised for moving into the next stage of prototype development for customer testing.

Transformational Idea Track: For discoveries that will have a major impact on the energy industry and economy that are in the early stages of development.
