- 9. You should now see the thumbnail of the video in the Assignment viewer. Add any desired text into the submission field and press **Submit** to finish.
- 10. You will see your submission and a confirmation message at the top after you hit **Submit**.

If adding a video to a discussion post, the process is quite similar.

- 1. Within the desired forum, click the **Create Thread** forum to create a new thread. Alternatively, if replying to a post in an existing thread, click the **Reply** button for the post to which you wish to reply.
- 2. Use the text editor to insert your Drexel Streams video using the same steps outlined above.
- 3. Click **Submit** when finished to add your video to the discussion.
