Presents a Medical Seminar:

CARDIAC AUSCULTATION

FOR THE GENERALIST IN OFFICE PRACTICE

WEDNESDAY, May 10, 2017

Geary Auditorium A, New College Building 245 N. 15th Street (15th & Vine Streets) Philadelphia, PA 19102

Innovative Teaching Techniques!

- Actual Patient Presentations
- Electronic Stethophone Audio Headsets
- Coordinated Instruction with **Echocardiography**

Program Director:

Paulina Gorodin Kiliddar, MD

Co-Directors:

Howard Eisen, MD Pasquale Procacci, MD

CARDIAC AUSCULTATION FOR THE GENERALIST IN OFFICE PRACTICE Medical Seminar Series: No. Wednesday, May 10, Drexel University College of Medicine — Department of Medicine Medical Seminar Series: No. 17042

CARDIAC AUSCULTATION

ELECTRONIC STETHOPHONE HEADSETS · ECHOCARDIOGRAPHY · COLOR FLOW DOPPLER

GRAND ROUNDS

AND CLINICAL CASE PRESENTATIONS:

Each participant will use an electronic stethophone to complement the clinical case presentations and state-of-the-art lectures on cardiac auscultation.

INNOVATIVE TEACHING TECHNIQUES:

- · Actual patient presentations
- · Electronic stethophone audio headsets
- · Coordinated instruction with echocardiography and color flow doppler

WHO SHOULD ATTEND:

All Physicians, including General Internists, Medical Sub-specialists, Family Medicine, Emergency Medicine, PAs, CRNPs, Fellows in Training, Medical Residents, Medical Students, all Medical Specialties

LEARNING OBJECTIVES:

After attending this seminar, the participant will be able to:

- · Coordinate cardiac historical information:
- · Differentiate normal and abnormal heart sounds and murmurs;
- Utilize the stethoscope with advanced confidence:
- · Assess the indications for echocardiography and color flow doppler diagnostic techniques;
- · Recognize the clinical and bedside findings of acquired and congenital heart disease;
- · Improve case management by determining medical versus surgical approach.

ACCREDITATION STATEMENT: Drexel University College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical

AMA Credit Designation Statement: The Drexel University College of Medicine designates this live activity for a maximum of 6.5 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. AOA: This program is eligible for 6.5 credits in Category 2A of the American Osteopathic

FACULTY DISCLOSURE STATEMENT: It is the policy of Drexel University College of Medicine to ensure balance, independence, objectivity, and scientific rigor in all its sponsored educational programs. Speakers at continuing medical education activities are required to disclose to the audience, any relevant commercial interest (which is any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients). Any conflicts of interest must be resolved prior to the presentation and announced to the audience. The intent of this disclosure is to allow participants to form their own judgments about the educational content of this activity and determine whether the speaker's commercial interests influenced the presentation. In addition, speakers are required to openly disclose any off-label, experimental, or investigational use of drugs or devices discussed in their presentation.

ACKNOWLEDGEMENTS: Faculty disclosures, educational grants and exhibit support will be acknowledged prior to the beginning of the program.

For more information, please call 215-762-2580

Wednesday, May 10, 2017 — 8:30 am to 4:00 pm

Geary Auditorium A, First Floor, New College Building 245 N. 15th Street (15th & Vine Streets) Philadelphia. PA 19102

DEPARTMENT OF MEDICINE GRAND ROUNDS, MEDICAL SEMINAR AND WORKSHOP

Paulina Gorodin Kiliddar, MD · Howard Eisen, MD Pasquale Procacci, MD

MORNING PROGRAM:

8:30 am Introduction to Cardiac Auscultation

Howard Eisen, MD

PRINCIPLES OF PHYSICAL EXAMINATION:

History Taking, Physical Appearance, Jugular and Carotid Pulsation, Precordial Palpation, and Cardiac Auscultation

Pasquale Procacci, MD

NORMAL/ABNORMAL HEART SOUNDS/HEART

First and Second Heart Sounds, Splitting, Opening Snaps, Gallops, Ejection Sounds, Systolic and Diastolic Murmurs

Paulina Gorodin Kiliddar, MD

9:30 am CLINICAL CASE PRESENTTIONS

Drexel University College of Medicine Faculty and Their Patients

BEDSIDE EVALUATION OF THE CARDIAC PATIENT HEART MURMURS

• Systolic Murmurs:

Innocent, Flow Murmurs, Aortic Stenosis, IHSS, Mitral and Tricuspid Regurgitation and VSD

• DIASTOLIC MURMURS: Aortic Regurgitation, Mitral Stenosis with Opening Snap

SIMPLE CONGENITAL HEART DIAGNOSIS

12:00 LUNCH

AFTERNOON PROGRAM

1:00 pm Bedside Evaluation of the Cardiac Patient (CONTINUED)

4:00 pm ADJOURN

CARDIAC AUSCULTATION May 10, 2017
