

*Eric A. Zillmer, Psy.D.*

*Curriculum Vitae*

**Carl R. Pacifico Professor of Neuropsychology, Drexel University**

*Past-President (2003), National Academy of Neuropsychology*

*Director of Athletics, Drexel University*

**PERSONAL:**

Office Address: Department of Athletics, 31<sup>st</sup> and Market Street,  
Drexel University, Philadelphia, PA 19104  
Telephone: Direct Office (215) 895-1416, Secretary (215) 895-1977,  
FAX (215) 895-6206, (Mobile) (215) 489-0886  
E-mail: Zillmer@drexel.edu  
Languages: Bilingual - English and German  
Citizenship: USA

**EDUCATION:**

1984-86                    Post-doctoral Fellowship in Clinical Neuropsychology  
                                 Department of Behavioral Medicine and Psychiatry,  
                                 University of Virginia Medical School, Charlottesville  
                                 Supervisor: Jeffrey T. Barth, Ph.D., ABPP/ABCN

1983-84                    Clinical Psychology Pre-doctoral Internship (APA accredited)  
                                 Department of Psychiatry and Behavioral Sciences,  
                                 Eastern Virginia Medical School, Norfolk, Virginia  
                                 Supervisor: Robert P. Archer, Ph.D., ABPP

1982-84    *Psy.D.*                Florida Institute of Technology (APA accredited)  
                                 Melbourne, Florida, Major: Clinical Psychology  
                                 Research Supervisor: L. Michael Honaker, Ph.D.

1980-82 M.S. Florida Institute of Technology, Major: Psychology

1978-80 B.A. Rutgers University, New Jersey, Major: Psychology

1976-78 Ludwig-Maximilians Universität  
Munich, Germany, Major: Physics & Mathematics

1966-76 *Abitur* Werdenfels Gymnasium  
Garmisch-Partenkirchen, Germany, Major: Science

## AWARDS, HONORS, APPOINTMENTS, FELLOWSHIPS:

- 2006 Invited Distinguished Visitor by the Pentagon to examine detention facilities and interrogation procedures at Guantanamo Bay, Cuba
- 2006 Won CAA blood donation challenge by coordinating the collection of 713 pints of blood in one day, a Philadelphia regional record
- 2005 NIT Finalists Tip-off Tournament, Madison Square Garden
- 2003 President, National Academy of Neuropsychology
- 2002 Drexel Athletics, #1 Ranked Nationally in Gender Equity, U.S. World & News Report
- 2002 Invited Member by PA National Guard, "Goodwill Trip" to Bosnia
- 2000-present Fellow, The College of Physicians of Philadelphia
- 1999-present Lehrbeauftragter, Ludwig Maximilians University, Munich, Germany
- 1998-2001 Member at Large (elected), National Academy of Neuropsychology
- 1997-1998 Program Chair, National Academy of Neuropsychology
- 1995-1998 NCAA Faculty Athletic Representative, Drexel University
- 1997 Honorary Inductee Phi Eta Sigma (National Freshman Society)
- 1990-1996 Faculty Advisor, Psi Chi, the National Honor Society in Psychology
- 1990-1996 Faculty Advisor, Psychology-Sociology Club, Drexel University
- 1995-1996 President (elected), Philadelphia Neuropsychological Society
- 1995 Fellow, American Psychological Association, Division 1
- 1995 Outstanding Alumnus Award, School of Psychology, Florida Tech
- 1994 Excellence in Teaching, Drexel University, Psi Chi Honor Society
- 1992 Fellow, National Academy of Clinical Neuropsychology
- 1991 Fellow, Society for Personality Assessment
- 1988 New Faculty Research Award, Drexel University
- 1988 Excellence in Teaching Award, Eastern Virginia Medical School

## LICENSURE & CERTIFICATION:

- 1993-present Licensed Psychologist, New Jersey (# 3037)
- 1987-1989 Licensed Psychologist, Virginia State Board of Psychology (# 500)
- 1986-1988 National Register of Health Service Providers in Psychology (# 35781)
- 1985-present Licensed Clinical Psychologist,  
Virginia State Board of Medicine (# 1286)

## ACADEMIC APPOINTMENTS & PROFESSIONAL EXPERIENCE:

- 1998-present Director of Athletics, Drexel University.  
Responsible for overseeing all components of Drexel's 18-sport NCAA Division 1 athletic program, including NCAA and fiscal compliance, personnel, 18 varsity, 16 club and recreational sports, marketing and promotions and fund-raising ventures.
- 2000-present Carl R. Pacifico Professor of Neuropsychology, Drexel University.  
Named Professorship in Neuropsychology. Oversee the Pacifico Library for Cognitive Neuropsychology, the quarterly newsletter "Synapse," and all aspects of research associated with the professorship.
- 1995-1998 Faculty Athletic Representative (FAR), Drexel University.  
Oversee the academic integrity of Drexel's intercollegiate athletic programs.
- 1999 (July) Lehrbeauftragter, Ludwig-Maximilians University, Institute für Neuropsychologie, Munich, Germany.  
Responsible for teaching summer semester course on Mild Neuropsychological Traumas to advanced psychology graduate students.
- 1988-present Professor of Psychology (tenured and promoted to Associate Professor 1990, promoted to Full Professor 1996, awarded Named Professorship in 2000)
- 1990-1998 Director, Graduate Programs in Psychology, Department of Psychology, Sociology, Anthropology, Drexel University.  
Undergraduate/graduate teaching and supervision of senior thesis, master's thesis, and doctoral dissertations. Administrative oversight of the master's and doctoral psychology programs.
- 1986-88 Assistant Professor of Psychiatry,  
Department of Psychiatry and Behavioral Sciences, Eastern Virginia Medical School and Virginia Consortium for Professional Psych.  
Director of medical training in Psychiatry, member of Curriculum and Evaluation Committee, clinical and academic teaching of medical students, psychology/psychiatry residents, and clinical psychology graduate students in neuropsychological and personality assessment. Full range of psychological services including sleep disorder laboratory.
- 1984-86 Post-doctoral Fellow in Clinical Neuropsychology,  
University of Virginia Medical School. Neuropsychological and personality assessment and behavioral programming with a wide variety of Central Nervous System disabilities, including stroke, dementia, toxicology, learning disabilities, pediatric neuropsychology, head injury, epilepsy, sleep disorders, substance abuse, neoplastic diseases, and acute and chronic psychiatric disorders.

4

Adjunct Lecturer, University of Virginia  
Neuropsychological Assessment and Personality Assessment.

1983-84 Clinical Psychology Pre-doctoral Intern,  
Eastern Virginia Medical School. Individual, group, family and multifamily therapy, consultation liaison services to medical center, behavioral medicine, intellectual, educational, personality, and neuropsychological assessments.

## **TEACHING:**

Undergraduate - Sports Psychology, History of Olympics, Neuropsychology, General Psychology, History & Systems, Abnormal Psychology, Theories of Personality, Research Methods, and Senior Seminar.

Graduate – Forensic Neuropsychology, Personality Assessment, Advanced Personality Assessment, Neuropsychological Assessment, Intellectual Assessment, Principles of Neuropsychology, Professional Issues & Ethics, Research Methods, History & Systems, Data Analysis in Psychology, Advanced Multivariate Statistics, Psychology of Rehabilitation, Psychopathology, Behavioral Medicine, Neuropsychological Evaluation and Intervention: Psychiatric Populations, and Learning Theories.

## **EXPERTISE:**

Forensic Psychology, Toxicology, Concussion, Clinical Psychology, Clinical Neuropsychology, Sports Psychology, Psychological and Neuropsychological Assessment, Traumatic Brain Injury, Gerontology, Substance Abuse, Psychiatric Disorders, Medical Psychology, Multivariate Statistics.

## **PROFESSIONAL/CIVIC AFFILIATIONS (Psychology):**

2006-present Treasurer, Colonial Athletic Association (CAA)  
2006-present Chair, CAA Student athlete advisory committee  
2003-present Army/Navy Host Committee  
2000-present Philadelphia Sports Congress  
2000-present The College of Physicians of Philadelphia, Fellow

Section on the History of Medicine, Member  
 1995-1998 Eastern Psychological Association, Member  
 1992-1998 European Association of Personality Psychology, Full Member  
 1992-1998 European Association of Psychological Assessment, Member  
 1989-present Philadelphia Neuropsychology Society, Member  
 Newsletter Editor (1993-present), President-elect (1993-1994),  
 President (1995-1996)  
 1989-present Sigma Xi, The Scientific Research Society, Member  
 1988-present National Association of Collegiate Directors of Athletics  
 1988-present National Academy of Neuropsychology,  
 Professional Member (1988-1991), Fellow (1992-present),  
 Poster Chair (1996), Program Chair (1997 Las Vegas, 1998  
 Washington, D.C.), Member-at-Large (1998-2001), President-Elect  
 (2002), President (2003), Past President (2004-2006)  
 1988-present International Rorschach Society  
 1987-present Society for Personality Assessment, Member (1987-1990),  
 Fellow (1991-present)  
 1985-present International Neuropsychological Society, Member  
 1998 Program Committee, Member  
 1984-1998 Virginia Psychological Association, Member  
 1986-88 Chair, Education & Training Committee  
 1978-present American Psychological Association, Student Member (1978-1984),  
 Member (1985-1994), Fellow Division 1 (1995-present)  
 Division 1 - General Psychology  
 Division 12 - Clinical Psychology  
 Division 22 - Rehabilitation Psychology  
 Division 40 - Neuropsychology  
 Division 47 - Sports Psychology

## **EDITORIAL BOARDS:**

**Applied Neuropsychology, (2004-present, Editorial Board)**

Journal of Personality Assessment, (1993-present, Editorial Board)

Journal of Forensic Neuropsychology, (1998-2006, Editorial Board),

Archives of Clinical Neuropsychology,

(1996-2002 ad hoc reviewer, 2003-present, Editorial Board)

**Assessment, (1993-2002 Editorial Board, 2002-2003 Associate Editor, 2003, Guest Editor, Psychological and Neuropsychological Assessment in the Forensic Setting)**

International Journal of Clinical Neuropsychology, ad hoc reviewer

Sleep, ad hoc reviewer

Perceptual & Motor Skills, ad hoc reviewer

Journal of Head Trauma Rehabilitation, ad hoc reviewer  
Journal of Experimental and Clinical Neuropsychology, ad hoc reviewer  
Allyn & Bacon, ad hoc reviewer  
Hogrefe & Huber, ad hoc reviewer

Paper presented at the 14th Annual Meeting of the International Neuropsychological Society, Denver, Colorado, February, 1986.

## **PAPERS, SYMPOSIA PRESENTATIONS, GRAND ROUNDS & INVITED ADDRESSES:**

Zillmer, E. A. (March, 2006). The Psychology of Terrorists: Nazis, Baader Meinhof, Bosnia, Suicide Bombers, Guantanamo Bay, al Qaeda. Invited lecture presented at the University of North Carolina-Wilmington, Wilmington, NC.

Zillmer, E. A. (June, 2006). Neuropsychological Training in the U.S.: Research, Clinical Issues, Education. Invited lecture presented at the Institute für Neuropsychology, Ludwig Maximilians University, Munich, Germany.

Zillmer, E. A. (March, 2006). The Psychology of Terrorists: Nazi Genocide, the Baader Meinhof Gang, War Crimes in Bosnia, Suicide Bombers, and al Qaeda. Invited lecture presented at the University of California San Diego, La Jolla, CA.

Zillmer, E. A. (February, 2006). The Psychology of Terrorists: Nazi Genocide, the Baader Meinhof Gang, War Crimes in Bosnia, Suicide Bombers, and al Qaeda. Invited Grand Rounds presented to the Mount Washington Pediatric Hospital, MD.

Zillmer, E. A. (December, 2006). The Psychology of Terrorists: Nazi Genocide, the Baader Meinhof Gang, War Crimes in Bosnia, Suicide Bombers, and al Qaeda. Grand Rounds presented to the Psychiatry Department, Pennsylvania Hospital, PA.

Zillmer, E. A. (April, 2005). The Psychology of Terrorists: Nazi Genocide, the Baader Meinhof Gang, Suicide Bombers, al Qaeda. Invited lecture to the School of Psychology, Florida Tech, Melbourne, FL.

Zillmer, E. A. & Sageman, M. (April, 2005). The Psychology of Terrorists: Nazi Genocide, the Baader Meinhof Gang, Suicide Bombers, al Qaeda. Invited lecture as part of the Magnificent Mind lecture and art series, Drexel University, Philadelphia, PA.

Zillmer, E. A. (February, 2005). The Evil Personality: Fact or Fiction-Nazis, Terrorists, and War Criminals. Invited lecture to the University of Virginia Medical School, Department of Psychiatry, Charlottesville, VA.

Zillmer, E. A. (February, 2005). Keynote speaker at Moorestown Friends School's Career Day, Moorestown, NJ.

McKeever, C., Schatz, P., Covassin, T., Sachs, M., Schneider, J., Heydt, J., & Zillmer, E. A. (February, 2003). Sports-related concussions in collegiate athletes: Gender differences across neuropsychological test performances. Poster presented at the 32<sup>nd</sup> annual meeting of the International Neuropsychological Society, Baltimore, Maryland.

Covassin, T., McKeever, C., Sachs, M., Schatz, P., & Zillmer, E. (October, 2003) Implementation of the Philadelphia Sports Concussion Project: A model for neuropsychologists and certified Athletic trainers in the rehabilitation of sport concussions. Poster presented at the annual Association for the Advancement of Applied Sport Psychology Conference, Philadelphia, PA.

Zillmer, E. A. (March, 2003). The Evil Personality: Fact or Fiction-Nazis, Terrorists, and War Criminals. Invited lecture to the University of Pennsylvania, Neuropsychiatry Division, Philadelphia, PA.

Zillmer, E. A. (December, 2002). The Evil Personality: Fact or Fiction-Nazis, Terrorists, and Serial Killers. Invited lecture to the Delaware Valley Society of Personality Assessment, Philadelphia College of Osteopathic Medicine, Philadelphia, PA.

Zillmer, E. A. (April, 2002). Searching for the Evil Personality? Invited presentation to the College of Physicians of Philadelphia, Section on Medical History, Philadelphia, PA.

Zillmer, E. A. (March, 2002). A Lecture on Evil. Invited presentation sponsored by Drexel University's Interfaith Council, Philadelphia, PA.

Zillmer, E. A. (March, 2001). The Life and Work of Dr. Molly Harrower: A Tribute. Invited opening session at the annual meeting of the Society of Personality Assessment, Philadelphia.

Zillmer, E. A. (May, 2000). Student-Athletes and Title IX: Caught in the Crossfire or Part of the Process. Invited seminar moderated at the NCAA Title IX Seminar, Indianapolis, IN.

Zillmer, E. A. (May, 2000). The Rorschach Records of Nazi War Criminals: Historical Perspectives and Current Research. Invited presentation to the Judaic Studies program Drexel University, Philadelphia, PA.

Schatz, P. & Zillmer, E.A. (March, 2000). The Rorschach Records of Nazi War Criminals: Historical Perspectives on Current Research. Paper presented at the 30th Annual Scholars' Conference on the Holocaust and the Churches "The Century of Genocide", St. Joseph's University, Philadelphia, PA.

Zillmer, E.A. (January, 2000). The Battle of the Atlantic: A psychological investigation of Third Reich, Naval Admiral Karl Dönitz. Paper presented to the Department of the Navy, Naval Medical Center, Psychology Department, Portsmouth.

Zillmer, E.A. (July, 1999). Neuropsychology in the U.S.: Historical perspectives, current research, and future directions. Colloquium presented to the Institute für Psychologie und Insitute für Pädagogische Psychologie und Empirische Pädagogik, Ludwig Maximilians Universität, Munich, Germany.

Zillmer, E.A. (April, 1999). The banality of evil: The quest for the Nazi personality. Co-sponsored by Psi Chi, Sigma Xi, and the Campus Events and Visitors Committee, Washington College, Maryland.

Zillmer, E.A. (April, 1999). The Nazi personality. Invited Lecture at St. Joseph's University, Philadelphia, PA.

Zillmer, E.A. (January, 1999). The banality of evil. Invited Lecture at Temple Medical School Grand Rounds.

Gordon, A. D., Holda, B., Zillmer, E. A., & Culbertson, W. C. (1997, April). A neuropsychological test of sustained attention: The d2 test. Paper presented at the Annual Meeting of the Eastern Psychological Association, Washington, D.C.

Gordon, A. D., & Zillmer, E. A. (1997, April). The importance of personality within a neuropsychological evaluation. Paper presented at the Annual Meeting of the Eastern Psychological Association, Washington, D.C.

Perry, W., & Zillmer, E. A. (1997, March). Neuropsychology and personality assessment. Symposium presented at the Annual Meeting of the Society for Personality Assessment, San Diego, CA.

Perry, W., & Zillmer, E. A. (1997, March). Neuropsychology and personality assessment. Symposium presented at the Annual Meeting of the Society for Personality Assessment, San Diego, CA.

Vuz, J., & Zillmer, E. A. (1997, March). Factor analysis of the Rorschach Comprehensive System. Paper presented at the Annual Meeting of the Society for Personality Assessment, San Diego, CA.

Perry, W., & Zillmer, E. A. (1997, March). Neuropsychology and personality assessment. Symposium presented at the Annual Meeting of the Society for Personality Assessment, San Diego, CA.

Gordon, A., & Zillmer, E. A. (1997, March). The MMPI and Rorschach in neuropsychology. Symposium presented at the Annual Meeting of the Society for Personality Assessment, San Diego, CA.

Zillmer, E. A. (1996, November). Mind over matter: Brain Research in the Next Millennium. Invited paper to Congressional staff on Capitol Hill, Washington, D.C.

Zillmer, E. A. (1996, October). Mental illness in the next millennium. Invited paper presented to the Philadelphia World Future Society, Philadelphia, PA.

Zillmer, E. A. (1996, July). Rorschachs of Nazi war criminals. Symposium chaired at the XV International Congress of Rorschach & Projective Methods, Boston, MA.

Gordon, A., & Zillmer, E. A. (1996, July). The Rorschach in neuropsychological assessment: Butterflies and brains. Paper presented at the XV International Congress of Rorschach & Projective Methods, Boston, MA.

Zillmer, E. A., & Gordon, A., (1996, July). The Rorschach and the brain: Patterns in ink. Paper presented at the XV International Congress of Rorschach & Projective Methods, Boston, MA.

Zillmer, E. A. (1996, June). The banality of evil: The quest for the Nazi personality. Invited paper presented to the Institute of Sociology at Uniwersytet Slaski, Katowice, Poland.

Zillmer, E. A. (1996, June). The Nazi personality. Invited paper to be presented to the sociology, history, and political science faculty at Silesian University, Poland.

Resh, R. J., Zillmer, E. A., Chelder, M., Efthimiou, J. (1996, March). Neuropsychological screening of geriatric stroke patients. Paper presented at the 67th annual meeting of the Eastern Psychological Association, Philadelphia, PA.

Panchal, P. D., Kiernan, P., & Zillmer, E. A. (1996, March). Drug use in collegiate student-athletes. Paper presented at the 67th annual meeting of the Eastern Psychological Association, Philadelphia, PA.

Zillmer, E. A. (1996, March). Neuropsychology in the decade of the brain: Research, education, and practice. Symposium chaired at the 67th annual meeting of the Eastern Psychological Association, Philadelphia, PA.

Culbertson, W. C., & Zillmer, E. A. (1996, March). Strike while the iron is hot? Executive planning and problem solving style. Paper presented at the 67th annual meeting of the Eastern Psychological Association, Philadelphia, PA.

Zillmer, E. (1996, March). The Nazi personality: Historical perspectives and the rise of neo-Nazism. Invited address presented to the Temple University Association for Retired Professionals, Philadelphia.

Zillmer, E., & Culbertson, W. (1996, March). Problem solving and personality. Paper presented at the 56th Annual Meeting of the Society for Personality Assessment, Denver, Colorado.

Zillmer, E. (1996, March). Neuropsychology of personality I: Theoretical issues concerning the use of personality assessment instruments with neurological impaired populations. Symposium co-chaired at the 56th Annual Meeting of the Society for Personality Assessment, Denver, Colorado.

Zillmer, E. (1996, March). Neuropsychology in the decade of the brain: Research, education, & practice. Invited symposium to be chaired/introduced at the 1996 meeting of the Eastern Psychological Association, Philadelphia.

Culbertson, C., Zillmer, E., Panchal, P., Montenegro, L., Sgro, J., & Holda, B. (1996, March). "Strike while the iron is hot?" Executive planning and problems solving style. Paper to be presented at the 1996 meeting of the Eastern Psychological Association, Philadelphia.

Panchal, P., Kiernan, P., & Zillmer, E. (1996, March). Drug use in collegiate student-athletes. Paper to be presented at the 1996 meeting of the Eastern Psychological Association, Philadelphia.

Resh, J., Zillmer, E., Chelder, M., & Efthimiou. (1996, March). Neuropsychological screening of geriatric stroke patients. Paper to be presented at the 1996 meeting of the Eastern Psychological Association, Philadelphia.

Horowitz, T., Mesholam, R., Libon, D., & Zillmer, E. (1995, November). Neuropsychological assessment within the context of an interdisciplinary environment. Paper presented at the Gerontological Society of America's Annual Scientific Meeting, Los Angeles.

Lindsay, A., Zillmer, E. A., Efthimiou, J. M., & Chamberland, J. (1995, August). Predicting functional behaviors from neuropsychological screening in stroke patients. Paper presented at the 103rd Annual Meeting of the American Psychological Association, New York City.

Zillmer, E. A., Weiss, B., Barbera, C., Colis, M., & Holda, B. (1995, August). Neuropsychological effects of repeated 1-meter and 3-meter spring board diving. Paper presented at the 103rd Annual Meeting of the American Psychological Association, New York City.

Goertzel, T., Zillmer, E. A., & Wogan, M. (1995, July). Linus Pauling and the conspiracy against Vitamin C: Insights from his Rorschach Protocol. Paper presented at the 18th Annual Scientific Meeting of the International Society of Political Psychology, Washington, DC.

Zillmer, E. A. (1995, March). The neuropsychology of personality II: Recent research. Symposium chaired at the 55th Annual Meeting of the Society for Personality Assessment, Atlanta, Georgia.

Lamar, M., Zillmer, E.A., & Bundick, T. (1995, March). Neuropsychological and emotional sequelae in sleep apnea. Paper presented at the 55th Annual Meeting of the Society for Personality Assessment, Atlanta, Georgia.

Perry, W., & Zillmer, E. A. (1995, March). The neuropsychology of personality assessment. Paper presented at the 55th Annual Meeting of the Society for Personality Assessment, Atlanta, Georgia.

Culbertson, W., & Zillmer, E. A. (1995, March). Relationship of frontal measures to ratings of behavioral syndrome in children with ADHD. Paper presented at the 55th Annual Meeting of the Society for Personality Assessment, Atlanta, Georgia.

Zillmer, E. A., & Perry, W. (1995, March). MMPI, Rorschach, and neuropsychological indices: What do they have in common? Paper presented at the 55th Annual Meeting of the Society for Personality Assessment, Atlanta, Georgia.

Zillmer, E. A., & Ternes, J. (1995, March). The neuropsychology of Carl Jung. Paper presented at the 55th Annual Meeting of the Society for Personality Assessment, Atlanta, Georgia.

Zillmer, E. A. (1994, April). The neuropsychology of personality I: Recent research. Symposium chaired at the 54th Annual Meeting of the Society for Personality Assessment, Chicago, Illinois.

Kennedy, R., Zillmer, E. A., & Harrower, M. (1994, April). A question of brain or mind: A comparison of neuroanatomy and Rorschach findings of Dr. Robert Ley. Paper presented at the 54th Annual Meeting of the Society for Personality Assessment, Chicago, Illinois.

Meisenhelder, L., Zillmer, E. A., & Glat, M. (1994, April). Female eating disorder inpatients: Analysis of MMPI Scale 8 items. Paper presented at the 54th Annual Meeting of the Society for Personality Assessment, Chicago, Illinois.

Zillmer, E. A., Waechter, C., & Uhl, C. A. (1994, April). Neuropsychological correlates of positive and negative symptoms. Paper presented at the 54th Annual Meeting of the Society for Personality Assessment, Chicago, Illinois.

Zillmer, E. A. (1994, April). The brain has a personality of its own. Paper presented at the 54th Annual Meeting of the Society for Personality Assessment, Chicago, Illinois.

Zillmer, E. A. (1993, March). The neuropsychology of personality assessment. Symposium chaired at the 53rd Annual Meeting of the Society for Personality Assessment, San Francisco, CA.

Belevich, J. S., & Zillmer, E. A. (1993, March). Effects of language and visuospatial impairment on the MMPI in a neuropsychiatric sample. Paper presented at the 53rd Annual Meeting of the Society for Personality Assessment, San Francisco, CA.

Meyer, G. J., Grob-Murphy, S., Kiolbasa, T., Brown, S., Daly, M., Orput, D., Remer-Osborn, J., Zelko, & Zillmer, E. A. (1993, March). Neuropsychological factors and Rorschach performance in children. Paper presented at the 53rd Annual Meeting of the Society for Personality Assessment, San Francisco, CA.

Zillmer, E. A., & Comer-Hilbert, D. (1993, March). Analgesic abuse in headache patients: A cluster analysis using the MMPI. Paper presented at the 53rd Annual Meeting of the Society for Personality Assessment, San Francisco, CA.

The Nazi Personality (June 3rd, 1992). Keynote Speaker at Mordechai Anielewicz Creative Arts Contest, Mandell Theater, Drexel University, Philadelphia.

Zillmer, E. A., Belevich, K. S., Fowler, P. C., & Meyer, G. J. (1992, March). A multivariate model of neuropsychological and Rorschach indices. Paper presented at the 52nd Annual Meeting of the Society for Personality Assessment, Washington, D.C.

## **GRANT & CONTRACT SUPPORT:**

**Eastern Virginia Medical School - LOREX Pharmaceuticals - *The effects of Zolpidem in patients with chronic insomnia*** (with C. Ware). Project Period: September 1, 1986 to August 31, 1988. Annual direct costs: \$149,715 first year; \$112,286 second year.

**Eastern Virginia Medical School - Institutional - *Cardiopulmonary and neurophysiologic changes following treatment with nasal continuous positive airway pressure (CPAP) in sleep apnea patients***. Project Period: July 1, 1987 to June 31, 1988. Annual direct costs: \$15,000

**Drexel University - Office of Sponsored Projects - *Computerized assessment of neuropsychological deficits in sleep apnea patients***. Project Period: September 1, 1988 to August 31, 1989. Amount Awarded: \$2,250.

**Philadelphia VA Medical Center - Institutional - *Neuropsychological assessment***  
Contract Period: September 1, 1990 to present. Amount: \$50,000 per year.

## **POSTDOCTORAL FELLOWS SUPERVISED:**

1990 - Dr. Arline Goldstone, 1990 - Dr. Barbara Harris, 1991 - Dr. Mark Chelder, 1991 - Dr. Mike Colis, 1992 - Dr. Joseph Zielinski, 1993 - Dr. Jack McGowan, 1994 - Dr. Evelyn Klein, 1995 - Dr. Anthony Zangaro, 1995 - Dr. Bill Culbertson, 1999 - Dr. Valerie Brooks-Klein.

## **DOCTORAL DISSERTATIONS (Chair & Research Supervisor):**

1991 - Experimentally induced fatigue in severe head injury survivors. Gerri McGinnis, Ph.D. (Assistant Professor of Neurosurgery, Department of Neurosurgery, Hospital of the University of Pennsylvania).

1992 - Construct validity of the Mattis Dementia Rating (DRS) scale: A factor model. Jacqueline Santoro, Ph.D. (Neuropsychologist, Binghamton Psychiatric Center, New York).

1992 - The use of the Minnesota Multiphasic Personality Inventory in chronic pain patients suffering from headaches: A cluster analysis. Devey Comer-Hilbert, Ph.D. (Neuropsychologist, Philadelphia VA Medical Center).

1992 - Construct validation of the assessment of impairment measure (AIM) in the elderly: A neuropsychological screening tool. Beverly O'Connor, Ph.D. (Neuropsychologist, Memorial Hospital, Salt Lake City).

1993 - Frontal lobe hypothesis of schizophrenia and its relationship to neuropsychological test performance. Christild A. Uhl (Psychologist, Human Resources Inc., Lawrence, MA).

1994 - Neuropsychological patterns of positive and negative symptoms in schizophrenia. Curtis H. Waechter, Ph.D. (Staff Psychologist, Mt. Sinai Hospital, Physical Medicine and Rehabilitation Department, Philadelphia, PA).

1995 - Vocational success and employability of chronic psychiatric patients: A multidimensional approach. Oscar Sierra-Fitzgerald, Ph.D. (Assistant Professor of Psychology, University of UNIVALLE, Cali, Columbia).

1996 - Executive function in Turner Syndrome. Sarah Romans, Ph.D.

1997 - Factor analytic study of the Rorschach Comprehensive System: Guidelines to construct interpretation. Jacqueline Vuz, Ph.D.

1998 - An empirical test of frontal lobe hypothesis of Schizophrenia. Bradley Kamrowski-Poppen, Ph.D. (U.S. Army)

1998 - Postoperative outcome of temporal lobectomy: A multivariable model of cognitive, emotional, and psychosocial functioning in epilepsy. Amy Gordon, Ph.D.

2000 - The neuropsychology of sexual consent. Carrie H. Kennedy (U.S. Navy)

2004 - The neuropsychology of sports-related concussions. Kathy McKeever (Long Island Jewish Hospital)

2004 - Emotional sequelae of sports-related injuries: Concussive and musculoskeletal injuries. Jillian Schneider

## **MASTER'S THESIS (Chair & Research Supervisor):**

1990 - The neurobehavioral sequelae of posttraumatic stress disorder. Betty-Jane Schriebmaier, M.S.

1990 - Neuropsychological correlates of functional disability in elderly stroke patients. Curtis H. Waechtler, M.S.

1992 - The relationship between neuropsychological indices and the Rorschach Comprehensive System. Cherie Reeves, M.S.

1992 - Examination of VIQ-PIQ and factor split scores among psychiatric inpatients. Jacqueline K. Belevich, M.S.

1994 - Analysis of visual-motor skills in an early school-aged population. Stephanie J. Wingate, M.S.

1994 - Examination of arithmetic and visual-spatial skills: Patterns of academic achievement in young children. Kelly Woods, M.S.

1994 - Understanding the verbal memory deficit of language impaired children. Lauren Montenegro, M.S.

1995 - Comparison of the performance of right and left hemisphere stroke patients on the Assessment of Impairment measure. Robyn Resh, M.S.

1995 - Reliability analysis of an attention rating scale for use with individuals with traumatic brain injury. Bill Gardner, M.S.

1996 - Should neuropsychologists be more right-brained? The integration of personality and neuropsychology. Amy Gordon, M.S.

1998 - Verbal learning and memory in community-dwelling elderly with minor depression. Raquelle I. Mesholam, M.S.

2005 - Neuropsychological and Psychiatric Malingering: One and the Same? Anthony Charles Ruocco, M.S.
