

ENGLISH

The English Major:

- Engages students in critical thinking, reading and writing and helps them to enhance those skills.
- Provides cultural, historical and social contexts for the study of literature and its applications
- Offers a variety of courses that integrate science and technology with the humanities and stresses Drexel's interdisciplinary focus
- Equips students with strong analytical, communication, technological and writing skills to prepare them for careers or graduate work in the humanities, law, teaching, professional writing and various other fields
- Has a number of "free electives," allowing interested students to pursue a minor in another discipline

Employers Who Have Hired Drexel Students Include:
