Drexel University Department of Public Safety - Queen Lane Campus

The Pennsylvania College and University Security Act requires the release of crime statistics and rates to students and employees, and it requires that those statistics be available to applicants and new employees upon request. The rate is based on the actual number of Full Time Equivalent (FTE) students and employees, which is calculated according to state-mandated formula. The index in the table below is based on incidents per 100,000 FTE's. The statistics below include incidents that are not reportable under the The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act and The College and University Security Act of 1988
